Moving Karnataka's Steel Since 1988

Balaji Transports is a Tumakuru-headquartered logistics company specialising in steel and heavy industrial cargo. From rake to road, we move coils, sheets, plates and TMT bars for distributors, retailers and manufacturers across the state.

With a large, well-maintained trailer fleet, a heavy-lift crane division and branches placed at key rail and steel hubs, we give customers a single partner for loading, lifting and delivery.

WHAT WE DO

Our Services

Trailers Transportation

12, 14, 16, 18 and 20-wheeler trailers for plates up to 40 ft, HR/CR coils, wire rod, TMT bars, billets and slabs.

Balaji Crane Services

Heavy cranes from 30 to 100mt, hydra cranes (12-15mt), Kalmar reach stackers and forklifts for industrial lifting.

Steel Products **We Handle**

Trusted by leading steel producers for outbound movement from plant, rake and stockyard to customer.

SAFETY FIRST

Safety Isn't A Checklist, **It's A Habit**

01

Trained & Verified Drivers

Licence verification, route briefing and defensive-driving refreshers before every assignment.

02

GPS-Enabled Tracking

Trailers and cranes tracked in real time so dispatch always knows where your shipment is.

03

Routine Inspections

Scheduled maintenance and pre-trip checks on brakes, tyres and load-securing gear.

04

Load Securing Standards

Coils, sheets and TMT bars chained, chocked and covered to fixed standards on every trip.

05

24x7 Emergency Support

A dedicated helpline reachable around the clock for drivers and clients.

06

Zero-Tolerance Policy

No overloading, no unsafe driving, no skipped checks — at every branch.
