Lifting Capacity **That Delivers**

EQUIPMENT	CAPACITY	TYPICAL USE
Heavy Cranes	100mt · 80mt · 50mt · 30mt	Plant erection, heavy coil & machinery lifts
Hydra Cranes	15mt · 14mt · 12mt	Yard handling, loading & unloading
Kalmar Cranes	Reach stackers	Coil & container handling at rake sidings
Forklifts	Multiple capacities	Warehouse & stockyard movement

01

Safe Operation

Certified operators and pre-lift checks on every job.

02

Strong Capability

Equipment sized for the heaviest steel and industrial lifts.

03

Expert Team

Riggers and supervisors experienced in steel yards and sidings.

04

On-Time Service

Branches near key hubs mean faster mobilisation.

Serving industries: Steel · Logistics · Construction · Manufacturing · Rake & siding operations (SGWF Whitefield & Hosur).

Hire A Crane

Share your load details and route — our team responds with a quote and vehicle availability, usually the same day.
